AT SEATTLE

9 UNITED STATES OF AMERICA,) NO. CR04-524-RSL
10 Plaintiff,)
11 vs.) ORDER DENYING DEFENDANT'S
12 ARMOND JOE NUNEZ,) REQUEST FOR EARLY
13 Defendant.) TERMINATION OF SUPERVISION
14

15 This matter comes before the Court on defendant's request for early termination
16 of supervision. Dkt. #83. Defendant's probation officer opposes early termination of
17 supervised release because of defendant's substance abuse history and lack of stable full-
18 time employment. The Court DENIES defendant's request for early termination of
19 supervision. However, if defendant remains employed full-time and drug-free through
20 September 1, 2011, the Court will grant the early termination. Supervising U.S.
21 Probation officer Todd Sanders shall file a revised report in early September indicating
22 whether defendant remained employed and drug-free.

23 DATED this 7th day of June, 2011.
